Loren – Just checking to see if anyone had reached back to you on your request? With staff deploying from the EOC to the Field, I want to make sure something didn't fall through the cracks.

Loren,
Randy Gee is forwarding your request to our Regional Emergency Operations Center for processing.

Hi Arturo/Dan, We read in the news the EPA is sampling surface water adjacent to Corpus Christi Superfund Sites. We really need that here. Can you please pass on that message and also let me know who is the contact for that?

thanks, Loren
